

- ★ Textual inspection, measurement & reverse engineering.
- ★ High accuracy & precision over Profile Projector.
- ★ Statistical Process Control (SPC) strengthens manufacturing productivity.
- ★ All-In-One Graphical User Interface (GUI) is easy to use & easy to learn.

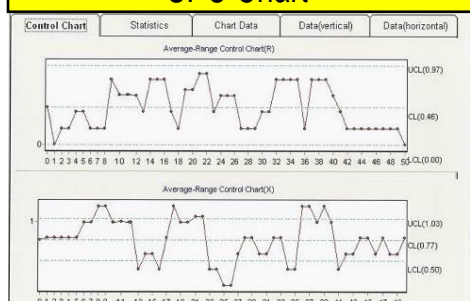

More Than 75 Tools; Including Built-In SPC, Integrated Customizable Report Generator, Image Snapshot, Import/Export AUTOCAD, Tolerance etc

High Quality
& Affordable

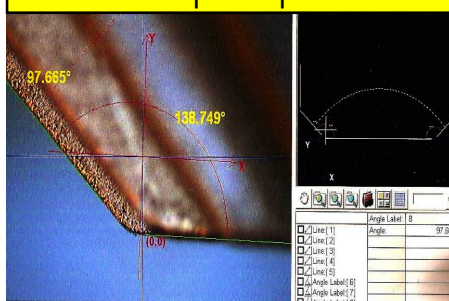

Auto Tolerance Measurement of Circle

Shape & Groove Measurement

DSC SERIES II (AUTOMATIC MODELS)

Travel Length (X, Y, Z mm)	A) 200X100X300, B) 300X200X300, C) 400X300X300 & D) 500X400X300 (X, Y, Z Axis Fully Programmable)
Weight (kg)	300 To 500
Loading (kg)	30 (Max)
Accuracy (μm)	X,Y : 3 + L/200 Z : 5 + L/200
Repeatability (μm)	2
Camera & Lens	Two Built-In Hi-Res Color CCD Cameras (Contact Us To Find Out More)
Linear Scale (μm)	0.1, 0.5 or 1.0 Note: 0.1μm Has No Real Benefit In Most Applications.
Linear Guide	XYZ Axis High Precision Lead Guide
Linear Motion	XYZ Axis High Precision Lead Ball
Light Source	Programmable 5-Segment Super Bright White LED Light Sources
Granite & PC	Yes & Industrial PC
Computing	Philip LCD, Windows 7 & MS Office 2010
